Southern California Association of Governments (SCAG)

The Southern California Association of Governments is the Metropolitan Planning Organization for six counties: Los Angeles, Orange, San Bernardino, Riverside, Ventura and Imperial. The region encompasses a population exceeding 18 million persons in an area of more than 38,000 square miles. As the designated Metropolitan Planning Organization, the Association of Governments is mandated by the federal government to research and draw up plans for transportation, growth management, hazardous waste management, and air quality. Additionally at the state level SCAG plans for the regional distribution of the Regional Housing Needs Assessment (RHNA).
