

Orange County Affordable and Fair Housing Months

- The City of Irvine is partnering with jurisdictions and nonprofit and private sector organizations throughout the region to kick off the first-ever Orange County Affordable and Fair Housing Months.
- The months of April and May 2023 will now be designated as **Orange County Affordable and Fair Housing Months** to highlight and celebrate regional efforts to create affordable housing and to affirmatively further fair housing.
- Each April, local communities across the country celebrate Fair Housing Month by hosting events that enhance public awareness of fair housing rights and emphasize the importance of creating diverse and inclusive communities. For the Orange County community, the 2023 activities will continue into May in recognition of national Affordable Housing Month and include
 - a youth poster contest,
 - fair housing training for the public,
 - fair housing and source of income protections workshops for property managers & owners,
 - affordable housing property tours,
 - the Orange County Affordable Housing Awards,
